

## TIMOTHY CORRIGAN ANTIQUES

#AD1336

CARVED WOOD BED CROWN

In France these are called Ciel de Lits...or Sky of the Bed...in either language it turns a regular bed into a place of fantasy and delight. Just attach your favorite fabric to the frame and hang it on the wall above your bed and you can instantly transform a bedroom...we've even used these over a sofa to add drama to the room!

Height: 29 1/2"

Width: 48"

Depth: 3 3/4"
