

TIMOTHY CORRIGAN ANTIQUES

#S1487

PAIR OF FRENCH NEEDLEWORK BERGERE ARMCHAIRS

The delicate lines and beautiful carved oak wood frames of these elegant chairs are enhanced by gorgeous floral needlework tapestry of peach and green against a cream background. These chairs would work wonderfully in a number of settings (library, bedroom, living room) because of their good scale. Great style without a lot of space!

French, 19th Century

Height: 33 ¾"

Width: 23 ½"
