

TIMOTHY CORRIGAN

#2878

19th Century Painting by Niels-Vinding Dorph (B.1862)

This beautifully executed oil on canvas is a wonderful example of the Danish 19th century school of landscape painting. The addition of the small group of elegantly dressed young women gathered around a fountain adds a lovely focal point to the piece. The carved gilt-wood frame provides a wonderful balance to the wooded scene.
