

TIMOTHY CORRIGAN

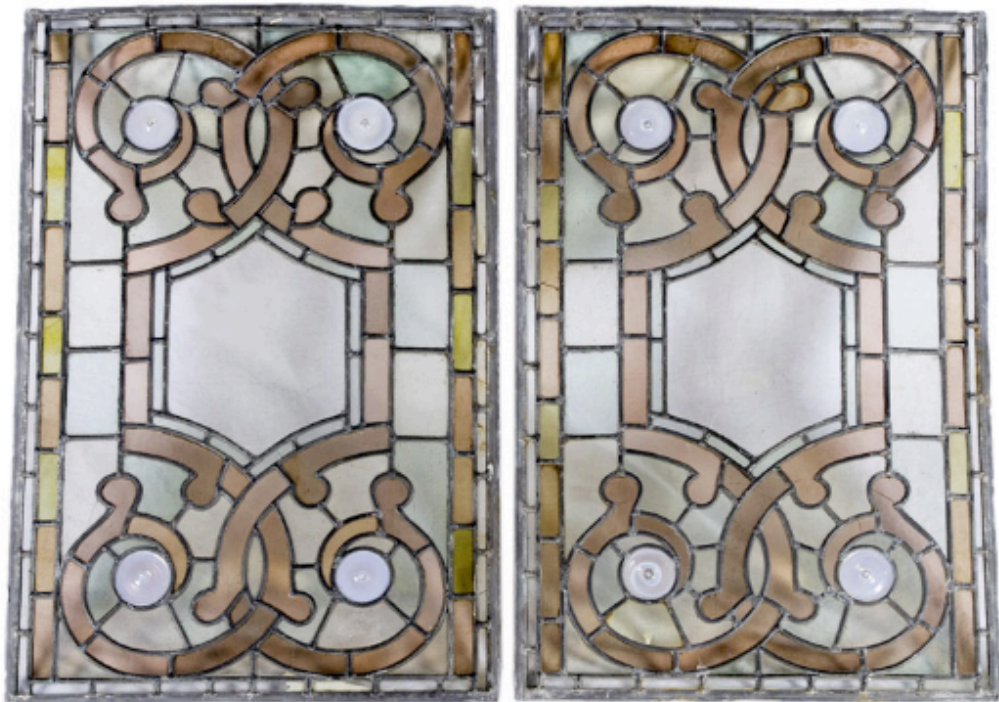

#2903

Pair of Mid-19th Century Stained Glass Panels

These colorful pair of stained glass panels come from a town house in London. Their geometric design and mix of light and dark glass give them great character. These would work well integrated into a new building project as windows or skylight covers or hung in front of large glass windows or sliding doors.

H: 32"

W: 21.25"

Price: \$2,500
