

TIMOTHY CORRIGAN

#2865

Pair of 18th Century Verre Eglomise Gilt-Wood Mirrors

These French mirrors have been painted on the reverse side of glass to resemble beautiful grained wood. The eglomise technique gives these mirrors a wonderful trompe l'oeil effect that fools the eye. The mercury glass mirror panels have wonderful aged spotting that is just right. These understated mirrors give just the right amount of elegance to any setting.

H: 64"
W: 39"

Price: \$10,000
