#2793

Large Oil Painting on Canvas, After Rubens "A Satyr and Baccante"

At over 4 feet tall, this wonderful version after Sir Peter Paul Rubens "Satyr and Maid with Fruit Basket" shares the original works' depiction of the vision of the Baroque joie de vivre. An extremely well-done painting, the vibrant colors and sensual figures give this piece a warmth and whimsicality that would make it a focal point in a living room or dining room.
