Oil Painting on Canvas of Silenius and Putti

This whimsical painting depicts Silenius of Greek myth being helped by children and a satyr after having spent too much time celebrating the Bacchanal rites. The central theme is placed in the center of a framed cartouche and then surrounded by painted architectural columns and frieze. The huge scale of the painting give it grandeur while the overall paintings is dramatic and fun. French, late 19<sup>th</sup> or early 20<sup>th</sup> century.
