

#3500

19th Century Northern European Lectern in Carved Fruitwood

This beautiful Northern European lecture in fruitwood has the music rack mounted to the back of an eagle with wings spread, on a shaped pedestal. It would be great as a beautiful sculpture in a room, especially in a very contemporary white loft space.

Dimensions:

H: 74"

W: 39"

D: 39"

Price: \$7,200
