Pair of Sheraton Revival Style Custom Cabinets in Satinwood with Inlay

Pair of custom Satinwood cabinets in the Sheraton Revival style. This beautifully proportioned pair of slightly bow-fronted cabinets feature wonderful satinwood veneers, inlaid banding, and oval inlaid decoration at doors. They each have two useful drawers, over a pair of doors which open to reveal a cupboard with a central shelf. They are fitted with their elegant antique hardware and stand on short tapered legs. This pair would be fabulous as bedside tables providing plenty of storage.
