Gilt Metal and Wood Eagle Chandelier 20th Century

Stunning gilt metal and wood chandelier. A well-proportioned eagle is surrounded by arms of unusual form. 20th century. The extremely unique style of this chandelier allows it to work magnificently in a contemporary space as well as a traditional one. Will need to be rewired. It has the original canopy.

H: 31"

Diameter: 30"

Price: \$2,600
